

**Procedure to follow to arrange an Exhibition Game on  
GameSheets**

Should your team wish to line up an Exhibition Game please follow one of these procedures.

**A) THE TEAM YOU WILL BE HOSTING/PLAYING  
USES GAMESHEET BUT NOT IN YOUR LEAGUE  
(IE ALLIANCE)**

- 1 [Email GameSheet 2 - 3 days in advance with the following.  
\(info@gamesheetinc.com\) or \(abeer@gamesheetinc.com\)](mailto:info@gamesheetinc.com)

Your Name and Cell Number  
Date of Game, Your Full Team Name, Your League, (OMHA  
AAA, West) Your Division (U11) and the Type of Game  
(Exhibition)  
The Full Name of the Team that you are playing, the League  
they play in, the Division they play in.

- 2 GameSheet will then move that team over to your Division -  
(U10 AAA, U11 A etc) within the OMHA Exhibition Season  
League.

- 3 Once the team is moved over your Team Manager/Coach  
will be able to create the game from scratch. Simply select  
the "OMHA Exhibition Season" Remember to select/confirm  
"Type of Game" Exhibition. We suggest you wait until a few  
hours before the game, in case the other team edits their  
roster via the dashboard.

**B) THE TEAM YOU WILL BE HOSTING/PLAYING  
DOES NOT USE GAMESHEET AND NEEDS AN  
INVITATION CODE**

sent it to the team. If the team has not set up an account  
and loaded their roster their coach / manager can quickly  
add in their roster right before the game on the Scoring app.

Here are some documents that can help guide the team that was
